

Course Description Form

Course number and section: VISA 312

Course Topic: Advanced Practice in Painting

Credits: 3

Term: WT2

Instructor: Katherine Pickering

Course Description (aim for no more than 80 – 100 words for your course description):

Advanced Practice in Painting reinforces the foundation skills acquired in painting I & II, while emphasizing the role of research in studio practice. Students will develop self-directed projects from a wide range of research. Lectures will present an array of examples from contemporary painting.

Tentative Reading List: (Be as concise as possible with your reading list, but please also specify the genre of each required text. See sample below)

Kendall Buster and Paula Crawford. *The Critique Handbook: The Art Student's Sourcebook and Survival Guide*. Chapter 1. Pearson: 2009. (23 pages)

Other:
